SHILOH'S DIVINE MESSIANIC CALLING UNTO THE DIVINE RELEVANCE OF THE NEW THING THAT GOD IS DOING:

Definitively, The Paneclesia stands the conversation of The Latter House Full Divine Reinstitution and Reclamation of The messianic Unity and Oneness of Harmonic Accord in The Body The Church of Yehoshua HaMashiach, even in The Ecclesiastical Communion of The Faith of HaMashiach. Now God Almighty Is HIM YAHWEH THE ETERNAL I AM WHO ALONE IS AND WHO ALONE LIVES, BEING YEHOVAH ADONAI SABAOTH THE ONLY WISE AND IMMUTABLE LORD GOD OF HOSTS, where all existence stands but a mere shadow of The Divine Eternal Being of God Almighty Glorious in Holiness. Even as He Alone exists before the beginning and He Alone Lives, Being The Only Person in existence that ears the hold of His Life in Himself, and so He Is and Lives at The Divine Standard Higher than all creation, where no Celestial nor Terrestrial Creature stands able to approach The Heights of His Divine Light Life Glory, Thus God Almighty Being HIMYAHWEH THE ETERNAL SELF-EXISTENT GOD IN WHOSE SELF IS HIS HOLD OF DIVINE LIFE, GLORY AND POWER, Being HIM YAHWEH ADONAI ELOHIM THE SOLE DIVINE CREATOR OF ALL EXISTENCE, even as all existence was created and fashioned by His Divine Word unto the obedience of manifestation from inexistence, thus God Almighty The Divine Proprietor and Rightful Judge of all existence. Thus God Almighty Is HIM YAHWEH THE DIVINE ETERNAL ONE BEING that by His Omnipresence reveals Himself through Three Main Persons without partition nor division of His Being, but Is Perfectly One and Is HIM YAHWEH ADONAI SABAOTH THE SOVEREIGN ENTHRONED ETERNAL FATHER, AND THE WORD OF GOD ALMIGHTY THE LAMB AND THE ONLY BEGOTTEN SON OF GOD, AND THE HOLY SPIRIT, even as by DIVINE TRINITY OF HIS HALOWED DIVINE DEITY.

Thus God Almighty Is HIM YAHWEH ELOHIM and YEHOVAH ELSHADDAI and YAHWEH ELELYON that created both The Realms Celestial and The Realm Terrestrial, where The Realm Celestial was divinely purposed to stand the root conversation of every the Terrestrial Manifestation, and The Terrestrial Realm was created and Divinely Purposed of God Almighty to stand the fruit manifestation of The Celestial conversation, thus The terrestrial realm the Realm of The Visible Fruit of The Invisible Root, and The Celestial Realm The Realm of The Invisible Root unto The Visible Fruit. Thus the realms Celestial and the Realm Terrestrial stand Divinely designed and created of God Almighty to stand unto the perpendicular simultaneous function unto the Full Terrestrial Manifestation of The Glory of God Almighty- where The Celestial Realm exists only unto the promotion, enforcement and fulfilment of the Divine Celestial will of God Almighty, even about every the Terrestrial conversation, thus the greatness of The Value of Terrestrial Realm unto God Almighty; and thus The Celestial Warfare between the Kingdom of Light and The Kingdom of Darkness, even as unto the dominion hold of terrestrial heavenly places and spiritual terrestrial territorial heavenly place (being the territorial space lodged over the nations of Man) unto the determination and directive of every the Terrestrial manifestation throughout The Nations of Man, as in accordance with Terrestrial Realm's Value. Thus Angelic Spirits stand the Celestial creatures created of God Almighty unto the full effectual root planting and root enforcement strong unto Terrestrial Manifestation, even unto The Will of God Almighty.

Thus Appertaining The conversation of God Almighty, even about The Divine Triune Deity of YAHWEH ELELYON BEING YEHOVAH ELSHADDAI THE DIVINE ETERNAL I AM, it stands that there is HIM YAHWEH SABBAOTH THE ETERNAL FATHER, even Him The Eternal Father The Chief Authority and Head of The Triune Godhead, even Him that planted His Kingdom in The celestial Realm, and so

in His Heaven He sits enthroned YEHOVAH SABAOTH THE LORD GOD OF HOSTS as unto the Commandeering of His Heavenly Angelic Hosts, and being enthroned unto The Divine Movement of Sovereign Majesty He stands The Divine Judge and Proprietor over all creation and all existence both Celestial and Terrestrial, even as by His Heavenly Throne unto the rightful hold of the determination of every manifestation throughout existence and creation both Celestial and Terrestrial, Spiritual and Physical, Heavenly and Earthly. The Eternal father being Him that shall soon Judge all Creation, as all existence stands accountable to The Eternal Law of His Heavenly Throne as unto His Divine execution and pronouncement of Divine Judgement, whether unto life everlasting or eternal condemnation. Appertaining The Triune Persons of God Almighty, there is HIM THE WORD OF GOD ALMIGHTY THE LAMB THE ONLY BEGOTTEN SON OF GOD ALMIGHTY, even Him God Incarnate being born by Divine Order of Virtue unto number among men, even Him Immanuel God with us; thus Him pronounced The Firstborn of all Creation, even as every creature was fashioned and conceptualized and designed to stand reflective of all the nature prototype expressions of 'animal form', even as HaMashiach Eternally holds the nature and form of every creature, so every creature was made and fashioned of God Almighty to stand the reflective for and pattern originated of the nature and form expressions being Yeshua HaMashiach D'Nazareth. He too stands Him Named The Firstborn of Death, even as He Alone currently stands The Only Son of Man that died, yet by divine virtue He returned through The Valley of The Shadow of Death, and by Divine Virtue He was resurrected by the divine supernatural resurrection power of God Almighty and too Him Mashiach was granted Divine Life Virtue that never again should He know Death, and by this same power at First Resurrection shall He raise all His Dead redeemed, that they be translated unto Divine Celestial Bodily Glory. Thus HaMashiach stands Him The Only begotten Son of God Almighty born by The Divine Supernatural Power of God Almighty, and by The Miraculous Workmanship of The Holy Ghost as unto His Incarnation among Men, being born by divine order of the womb of the virgin, that He be born free of the corruption of sinful nature, even as unto the hold and perpetuation of His Divine Purity, Righteousness and Holiness in Divine Standard of The Sacrificial Lamb of God Almighty born to take away the sin of the world.

Thus the conversation of Him that fully and perfectly submitted and devoted unto The Will of The Eternal Father, even as unto the death of The Cross and The Full Suffering of The Affliction of Messianic Passion and Accursed Death in the place of the sinner, that sinner be translated by Messianic Testament unto the hold of the righteousness of The Divine Estate of His Lordship, thus by this death of The Cross was established the Dispensation of Divine Life everlasting, YAHWEH being The Same God that called out of darkness, and so life everlasting by the divine communion of death. Thus The HaMashiach of God Almighty Who Himself was unjustly condemned and Crucified and Heavily Chastened and afflicted for the sake of the sinner's salvation, that by His Blood shed upon the cross be established The Full Atonement and Propitiation and Divine Pardon and Forgiveness of sins as by the full Appeasement of The Wrath of God Almighty, that all the Receivers of The Lordship of Yehoshua HaMashiach D'Nazareth stand The Heirs of Life Everlasting by His grace: where by The Word of Faith is manifest the reception of His Salvation, even the simple Vocal Utterance that, "Lord Yeshua, I know that I am a sinner and cannot save myself, but that you died that I be for GIVEN and rose again that I be saved, I ask you to come into my heart and forgive me and cleanse me from all my sins. I receive you as my Personal Lord and Saviour, and from this day forward I live to please to please only you, in your Holy Name I pray, Amen." Appertaining The Persons of The Triune Godhead, it stands that There is HIM THE HOLY SPIRIT OF GOD ALMIGHTY THE HOLY GHOST, even Him The Spiritual Incarnate Person of The Divine Supernatural Power of God Almighty, being not a Celestial element of wind, nor celestial element of fire, nor celestial element of water, nor is He an abstract

universal celestial force, but he is The Third Person of The Godhead Who speaks and communes with all in His Divine Directive. Thus Him The Holy Ghost The arm, Hand and Finger of God Almighty The Power and Divine Virtue of God Almighty, Being HIM THE ANGEL OF YAHWEH, The Blessing of Abraham being Baptism in Him by simply asking The Eternal Father to be baptized and filled with Him The Holy Ghost and fully submitting to His Paraclete Directive and Leadership.

Moreover it stands the Divine Eternal Truth of God Almighty that Known of Him Alone are His works from the beginning, even as He Alone holds perfect knowledge appertaining the manifestation of a new unique divine working of God Almighty in each generation respectively, even as God Almighty held Divine Counsel before the beginning unto the resolute determination about what was to stand the manifestation of every creature and every event in time unto the relativity of all existence throughout creation, which conversation stands known of God Almighty Alone, and even now every manifestation in creation stands in perfect compliance with what stood His Divine Resolute Determination in Ancient Indaba, even unto surprising each generation of creation about each its calling of the experience of a unique new working of God Almighty grating that respective generation as unto respective generational testimony of worship in The Witness of The Divine Supernatural Workmanship of God Almighty. Moreover, God Almighty is HIM YAHEH ELSHADDAI THE GOD ON THE BUSINESS OF THE PERPETUAL PRACTICE OF TRANSGENERATIONAL INNOVATION, Being The God that perpetually establishes New Things, even His Divine Works unknown since the Foundation of The World, being effected and erected through the conversation of Divine Innovation. Even as Innovation stands the conversation of the application of old device unto new context of function, thus definitively Divine Innovation stands the conversation of the application of an old preexistent creature unto a new context and dimension of function in Divine Purpose, as exemplified of how it stands that God Almighty transformed what was The Red Sea to become a Highway unto the deliverance of His People, and the same sea to become a source of weapon of war unto the destruction and judgement of the greatest superpower nation in history unto the weakest nation in history as in a single moment of the testimonial realization of divine innovation, where The Red Sea was not created in this day of function, but was transformed as a preexistent entity unto new functional context ordered by Divine Virtue. It too stands that the conversation of Divine Terrestrial Creation stood the conversation of Divine Innovation, even as by innovation was sea applied unto the manifestation of land, and earth was applied unto the manifestation of plant life and vegetation, and earth was applied unto beasts and land creatures, and sea was applied unto fish and all sea life, and light was applied unto stars and all astronomical creation, and earth again applied unto Adamic Terrestrial Body, thus even from the beginning The Divine Exercise of Divine innovation unto the Will of God Almighty. Thus all creation was concluded from the beginning and simply made manifest by Hallowed Virtue order of Divine Innovation practiced of God, where all creation was from the beginning encapsulated of God Almighty there in the medium from whence it was divinely sourced and made manifest as by Word of Faith: thus every New Work already exists and is simply manifest by Divine Virtue in the practice of Word of Faith unto the Divine Omnipotent Workmanship Standard of The Hand of God Almighty, which practice stands granted The Sons of God Almighty in the Name of Yeshua Mashaich D'Nazareth.

It too stands that every generation of mankind bears Divine Calling unto the Testimonial Witness of a Unique Hallmark of being The Respective Generation's Unique Divine Significance erected by The Divine Innovative Virtue of God Almighty, even the conversation of Divine Innovation, where in the expression of Divine Innovation, Adam saw God Almighty transform the skin of a creature unto the

first express manifestation of clothing (preaching Christ The Sacrificial Lamb the garment of cover from nakedness by iniquity), Abel witnessed the first manifestation of divine Atonement by the divine innovative offering of Sacrificial Lamb (preaching HaMashiach The Lamb that takes away the sin of The World), Noah witnessed the use of water by flood of rain and fountains deep unto the execution of divine judgement, and by divine innovative wisdom he stood to witness the Ark stand unto the divine preservation of all things (the Ark signifying The Cross of HaMashiach, where all souls encapsulated and hidden therein shall stand preserved unto divine endurance OF Zoe Life beyond eternity's furthest aeon), where Abraham witnessed Divine Innovation by the standing of the dead womb of a ninety year old woman stand to birth the true only begotten son of the divine promise (preaching HaMashiach The Only Begotten Son of God Almighty), where Isaac witnessed Divien Innovation by the sowing of seed in divine obedience during the time of great drought and famine, even un to his harvest of a hundredfold of what he sowed.

Jacob witnessed the poplar tree stand unto the fertility and conception of cattle as by order of practice unto divine innovation, Joseph witnessed the prophetic gift unto the interpretation and answering of divine dreams stand by divine innovation unto his hold of governance over the greatest superpower nation in History, Moses witnessed His Shepherd Rod stand by divine innovation unto the full destruction of Egypt being the greatest superpower nation in History (which rod signifies the cross of HaMashiach, and which Egypt stands the signification of the world), Moses too witnessed The Blood of HaMashiach Te Passover Lamb stand unto divine immunity and Passover unto deliverance from death and judgement as by the token of Divine Innovative seal of cover upon door unto the immunity and communion of Life Everlasting. By divine Innovative practice of The Word of Faith did Joshua witness the pausing of the sun and moon until he had fully wasted his enemies, even the day that god so hearkened to the voice of a man. Samson witnessed the jawbone of an ass stand the weapon unto the death of heaps upon heaps, and the same jawbone stand unto the springing of water (preaching the Cross the dispensation of life eternal, and the same Cross the witness and condemnation to all without the reception of The Lordship of HaMashiach). David witnessed the sling and stone through divine innovation stand unto the death of the greatest giant of that generation as by divine intervention. Solomon witnessed the treasures of David being the spoils of warfare stand unto the erection of the greatest and most magnificent Temple and Tabernacle of YAHWEH in History. About the conversation of divine innovation, The Apostles of The Lamb witnessed HaMashiach turn water into wine, turn raging waters into a personal highway, turn soil and saliva unto new eyes granted a blind man, but above all things they witnessed the divine erection of the death of the Cross unto the dispensation of life everlasting. Thus every generation holds the divine right unto the witness of divine innovation unto the eternal hallmark.

Now definitively, relevance stands the conversation of two separate parties holding complimentary natures perfect and sufficient unto the formation of one single entity by the union of the twain, again definitively relevance stands the conversation of the point of union via intersection of two parties unto the formation of a new single entity, and relevance too definitively stands the conversation of accordance of nature that permits the coherent and coexistent union of two parties unto their joint simultaneous and parallel yet fused existence that stands unto one as by the synergistic operative of their every conversation unto one manifestation in perfect harmonic accord. Thus Definitively, Divine Relevance stands the conversation of the hold of personal nature unto perfect oneness with The Eternal Defined Will of God Almighty, even the conversation of intersection with the Holy Ghost unto the formation of New Creature strong and able unto the

fulfillment of The Divine Eternal Will of God Almighty, thus divine Relevance the conversation of the hold of composition of nature that permits the coherent and coexistent union of man and The Holy Ghost unto the simultaneous synergistic contribution of function that stands unto the facilitation of the fulfilment of The Divine Eternal Will of God Almighty, man his contribution and Spirit His contribution, even each his respective portion of labour respective unto divine will's fulfilment and full accomplishment and achievement by interdependence. Thus definitively, Divine Relevance stands the conversation of Oneness with The Spirit unto The Divine Supernatural Empowerment and Divine Capacitation of The New Man necessary unto the fulfillment, establishment and erection of the terrestrial manifestation of The Will of God Almighty as per The Leadership and Directive of The Holy Ghost.

Appertaining the conversation of The New Thing that God Almighty is doing, first must be understood The Conversation of The Latter House Generation, where definitely, The Latter House Generation stands the conversation of the Generation, even the age of the nations of man collectively called of God Almighty unto terrestrial standing in the witness of the time of The Second Coming of Yeshua HaMashiach D'Nazareth unto The Rapture Harvest of His Church, where The Latter House Church, even The Endtime Church of God and HaMashiach stands The Ecclesiastical Body of HaMashiach called, positioned and purposed of God Almighty in the Latter House Generation as unto the Divine Separation, consecration, sanctification and Anointing of God Almighty by divine oil and crown of Heavenly Anointing as unto the Endtime Gospel Light Proclamation and Provocation that shall stand during first Pentecost to birth the Greatest Global Apostolic Reformation, Prophetic Revival and Evangelical Reaping through all nations, even as unto the full erection and establishment of The Premise of The Second Coming of Yeshua HaMashiach D'Nazareth. Thus the conversation of The New Thing that God Almighty is doing stands The Saying of The Spirit that "I have already begun the Work of The Full Building, Erection and Establishment of The Church of Yehoshua HaMashiach D'Nazareth." Thus The Full preaching of First Pentecost The Premise of The Second Coming of HaMashiach (which full conversation stands specified and pronounced in The CTML Journal Titled "EXCERPT OF FIRST PENTECOST:" even every the conversation about The Definition of The Second Coming of HaMashiach, and The Definition and Order of First Pentecost, and The Time unto First Pentecost, and The Prophetic Order of Events unto First Pentecost, and The Events of The Day and Short Season of First Pentecost, and The River of God Almighty that shall stand The Divine outpour unto First Pentecost, and The Divine Order of Grace as unto The Full Manifestation and Erection of First Pentecost). Thus Definitively, Divine Relevance to The Spirit's Directive unto The Full Divine Laborious Exploitation of The New Thing that God is Doing stands the foundational Standard of The Reception of The Lordship of Yeshua HaMashiach D'Nazareth by The Word of Faith at Personal Respective level and Standard, even unto the communion of Life Everlasting; then secondly the conversation of Divine Calling unto the Full Personal Knowledge of Divine Purpose and Calling of God Almighty in respective context and dimension of calling as unto respective personal individual saint and pilgrim; then the conversation of the divine calling unto skillful maturity in The Divine Unctioning leadership and Directive of The Holy Ghost regardless the personal context and dimension of Divine Purpose and Functional Assignment determined and elected and ordained of God Almighty to person respective; then the conversation of divine calling unto the maturity of The Knowledge and Revelatory understanding of The Holy Scriptures, even as The Spirit always stands to confirm His very Utterance and Divine Order and Directive by the Scriptures without any form of contradiction.

Him that hath an ear, let him hear the saying of The Spirit."
