“SHILOH’S DIVINE MESSIANIC CALLING AND COMMISSION UNTO THE LATTER HOUSE STANDARD OF DIVINE SUPERNATURAL POWER:”

As was defined by The Apostle Paul that The Kingdom of God Almighty is not in word but in power, it stands that the foundation of every the conversation of Ecclesiastical Witness, Communion and Fellowship is The Standard of Divine Supernatural Virtue as unto eternal endurance. Human Science defines power as the conversation of the measure and quantifiable determination of ability to do work, yet this definition does not hold in the Spiritual Realm, because that in the spiritual realm (as enacted by The Heavenly Kingdom and so imitated of Satan), power stands defined as ‘The Measure of Virtue demonstrated and the standard of ability and might defined in referential accordance to the respective work erected and established by the entity holding virtue.’ In this revelation of power, it thus stands that many that claim the notion of ecclesiastical and evangelical service unto God Almighty are not fully in the service and power of the Omnipotent Living God, because that Divine Supernatural Power stands measured, defined and quantified by Testimonial realities of Divine Working, and not by abstract definitions and possible potential without reference of hallmark and standard of divine workmanship. Now it stands that The Gospel of Yeshua HaMashiach D’Nzareth stands a Gospel that holds two Hands unto sounding clap of divine virtue unto the erection of eternal witness, even that the First Hand stands the conversation of Divine Wisdom established by evangelical utterance as unto the full unveiling of The Person, Power and Presence of Yeshua HaMashiach D’Nzareth, and every the conversation of His Divine Saving and Redeeming Power purchased and Dispensed by His Cross, even evangelical utterance unto the revelation of The Face and Heart of Yehoshua HaMashiach D’Nzareth The Crucified and Resurrected Christ of God Almighty, even the preaching unto the Vision of The Cross; The Second Hand of The Gospel stands the conversation of The Demonstration of Divine Supernatural Power by the working of miracles both of healing and environmental nature defying events, which power stands divinely purposed to stand the foundation of faith eternal unto the hold of salvation and endurance of righteousness by the receiver for a time beyond eternity’s furthest aeon- which Power stands openly demonstrated and erected in The Name of Yeshua HaMashiach D’Nzareth and in perfect accordance with the respective Apostolic Gospel Light Dispensation.

It thus stands that the True foundational Standard of Divine Virtue is not the Utterance of The Gospel, even the Word preached, because that Utterance and Speech in the preaching of the Heavenly Kingdom Gospel always stands expressly limited by the reasoning, wisdom, revelation and comprehensive ability of the preacher, where no preacher holds the Omnipotent Wisdom of God Almighty and thus the limitation of the preacher cannot stand the True Perfect Foundation unto the Eternal Endurance of The Faith of the hearer of The Gospel, but every conversation of Evangelical Virtue and Power always stands Sourced and Administered and Manifest by The Present God, HaMashiach and Spirit, where by the Omnipotent Hand of The Omnipotent Living God is manifest Divine Evangelical Virtue that it stand the Eternal Foundation unto The Divine Eternal Endurance of The Faith of The Hearer and Seer in Witness in the moment of His Conviction unto the calling upon The Name of The ORD God Almighty unto Salvation, even by Him The God present with The Preacher unto the Direct Dispensation of His Omnipotent Virtue from His Hand unto Miraculous manifestation Directly Sourced of Him, which power stands perfect, Divine, Pure and Holy in all conversations without limitation or compromise of faith preserving ability, and thus the Eternal Foundational Standard of Faith unto Endurance till and beyond The Say of HaMashiach. It therefore stands that a Gospel preached without power is a limited and incomplete Gospel that does not offer Divine Eternal foundational Standard unto Faith’s Eternal Preservation.

It too stands that there are diverse source expressions of spiritual power, even that there is satanic demonic order of spiritual craft that leads unto the manifestation of spiritual power, but there is then the conversation of Divine Supernatural Power, even the omnipotent Power Sourced of the Omnipotent Hand of God Almighty, which Power of God Almighty always stands infinitely excellent beyond every the conversation and manifestation of demonic power and satanic craft, even because that of himself Satan holds no power, thus he practices craft being the combining of various creatures unto the manifestation of his abominable wicked and evil power, yet The Simplicity of Divine Virtue id The Omnipotent Holy Nature of God Almighty that does bot demand Him Any Practice unto Virtue manifestation save His Divine Utterance, even as only by His Word did God Almighty create all things, and by His Word Alone was all Creation manifest, even existence from inexistence by Divine virtue Commissioned by the Word of God Almighty (THUS THE CONVERSATION OF DIVINE POWER EXCELLENT BEYOND ALL OTHER POWERS). It therefore stands that the key Characteristic and referential factor of unique identifiable respective standard that distinguishes and differentiate Divine Power from every other conversation, manifestation or expression of power is that The Divine Power of God Almighty is The Standard of Virtue Omnipotence and therefore stands infinite times excellent beyond all other possible standards of power. **It too stands that The Church of Yeshua HaMashiach D’Nzareth bears Divine Calling and Messianic Commission unto The Open Demonstration of Dive Supernatural Miracle Working Power in The Name of Yeshua HaMashiach D’Nzareth at all platforms of Evangelical Witness and in every the conversation of The Planting of The Cross, which Standard of Power Satan and all the Kingdom of Darkness cannot match, because it stands the Omnipotent Power Sourced of The Omnipotent Hand and Finger of God Almighty Divinely Encapsulated by The Eternal Father in the Name of Yeshua HaMashiach D’Nzareth.**

It stands that Divine Supernatural Miracle Working Power was grated of God Almighty to stand unto the erection of divine miraculous testimonies during evangelical ministry, where by the manifest miracle it stands that Divine Power confirms and proves the truthfulness and reality of The Gospel preached, even unto the evidence and confirmation of the truthfulness of the preacher, and thus the evidence and proof and confirmation of the truthfulness and confirmation of his sending and Divine Commission, which the stands unto the confirmation and establishment of the truthfulness of the reality of His Sender and Commissioner being God Almighty YAHWEH ELSHADDAI and The Resurrected Present Lord YEHOSHUA HAMASHIACH D’NZARETH THE WORD OF GOD ALMIGHTY AMD ONLY BEGOTTEN SON OF GOD THE MESSIAH THE SON OF DAVID AND SEED OF ABRAHAM. Moreover as by Messianic Commission, Divine Supernatural Power was purposed, erected and established of God Almighty to stand the practice and exercise of The Ambassadorship and Representation of The Heavenly Kingdom and Throne of God Almighty YEHOVAH ADONAI SABBAOTH and YESHUA HAMASHIACH D’NZARETH. Now as pronounced appertaining The Prophecy and Revelation of The Vision, it stands that The Coming Latter House Ministry of Yehoshua HaMashiach D’Nzareth shall stand the full express conversation of The Ministers and Witnesses being The Agents of Divine Virtue that shall stand strong in The Spirit unto the confirmation of their every testimonial utterance by divine supernatural virtue, where in the Preaching of The Cross shall they stand string unto the Open exploitation of Divine Supernatural miracle Working Virtue in The Name of Yeshua HaMashiach D’Nzareth, where those the ‘powerless Christians’ shall forfeit estate of Heavenly Witness to those the New and redeemed that shall embrace the gospel in a radical zealous spirit and aggression unto proving true every the conversation of The Divine Supernatural Redeeming Virtue of The Cross kf Yeshua HaMashiach D’Nzareth, even as by the open demonstration of divine miraculous supernatural power (as by signs miracles and wonders) in

excellence of virtue standard above and beyond all demonic deceptive satanic power, and every demonic counterfeit craft of virtue worked in the name of The Gospel of HaMashiach, but these shall Truly and Boldly Workman d Publish in Heavenly Standard The Name of Yeshua HaMashiach D'Nzareth as unto exploits unknown since the foundation of The World. Thee is therefore soon coming the conversation of The Latter House Witness in the Working of God Sized Divine Supernatural Feats of Signs, Miracles and Wonders, even works comely only by the Divine Omnipotent Hand of God Almighty during First Pentecost unto the erection, establishment and conclusive building of The Premise of The Second Coming of Him Yeshua HaMashiach D'Nzareth. It too stands that every conversation of divine virtue stands the conversation of simple trigger unto testimonial virtue and erection of hallmark by power that is not simplistic in nature, even the trigger simple being the application of The Name of Yeshua HaMashiach in Faith, but the power born of Omnipotence understood Only of God Almighty The Omniscient, even as the things of God Almighty The Omnipotent God are Yes and Amen in Yeshua HaMashiach D'Nzareth.: where this conversation of simple trigger shall too be fully exploited by The Children called of God Almighty to stand a part of The Latter House Community, even miracle in Messianic Evangelical Witness by children during First Pentecost, even as ordained that Strength be manifest by these same, even The Omnipotent Strength of YAHWE HAYA encapsulated un The Name of Yeshua HaMashiach D'Nzareth.

Thus to The Latter House Church of Yeshua HaMashiach D'Nzareth shall be made manifest the full restoration of Divine Virtue Sourced of The Divine Operative of YEHOVAHSABAOTH, Administered in and through The Name of HaMashiach manifest by The Gifts of The Spirit, even by The Word of Knowledge, The Word of Wisdom, Prophecy, Tongues, Interpretation of Tongues, Discernment of spirits, Gifts of Healing, Miracles and Divine Faith: where the Word of Knowledge stands the conversation of the coming unto informative knowledge of a presently occurring event or an event having occurred in the past, which knowledge is established not by experience of physical terrestrial order unto the hold or witness or learning of the event, even not by physical sight or hearing about the event or terrestrial informative order, but only by divine supernatural spiritual order unto the knowledge of The Event. The Word of Wisdom stands the conversation of divine instruction and order of protocol unto the full exploitation of a coming future even and opportunity, which instruction stands granted by divine supernatural means, Prophecy stands the conversation of the utterance unto the full specific a description of a coming future event, which utterance is established by Divine Supernatural Order. Discernment of spirits stand s the conversation of divine supernatural order unto the ability of identifying the respective spirit that stands the spiritual root source of the manifest Terrestrial Reality. Tongues stands the conversation of utterance in The Holy Ghost unto prayer, Te Spirit praying through The Mouth of The saint or Pilgrim unto The Triggering of Te Power kf God Almighty, thus Interpretation oif Tongues stands the conversation of the grant by divine order unto the knowledge and meaning of The Utterance pronounced in The Tongues of The Holy Ghost. Tongues oo can stand utterance in Angelic Languages or in Human languages, where the speaker will no have learned them before, but speaks according to The Spirit's Directive; Interpretation of Tongues therefore can too be the hold of understanding of Angelic Tongues or of Human Tongues that the hearer wiil not hacc heard before, even as through the wisdom of The Spirit. Gift of Faith stands te grant of Gid Sized Works unto the Manifestation of uncommon God Sized Miracles. Gidt of Miracles satnds divine virtue unto inexplicable testimonial manifestation of natural law defying events by The Hand of God Almighty. Gifts of Healing stands the conversation of the testimonial manifestation of healing from respective sickness by respective virtue given of The Spirit unto divine redemption and deliverance from the sickness by the ministry of the pilgrim in witness.

THUS YAHWEH ELSHADDAI STANDS HIM THE OMNIPOTENT GOD THAT ENCAPSULATED HIS DIVINE VIRTUE BY HAND IN THE NAME OF YESHUA HAMASHIACH D'NZARETH THE MESSIAH: WHERE THE ONLY LIMITATION OF THE POWER ENCAPSULATED IN THE NAME OF YESHU AMSHIACH D'NZARETH IS THE FAITH OF THE UTTERER. Thus the Divine Calling unto power, where by the Word of God Almighty is manifest Revelation and the Knowledge of his Ability and Faithfulness of YAHWEH ELSHADDAI THE OMNIPOTENT GOD, by which Revelation is manifest Faith, and by The Word of Faith The Manifestation of Divine Supernatural Miracle Working Power in the Name of Yeshua HaMashiach D'Nzareth above all other powers and orders of virtue, The Cross of Yeshua HaMashiach D'Nzareth being The Only Dispensary Source and Channel of every the conversation of The manifestation of His Divine Messianic Redeeming Virtue, and thus The Calling unto The Gathering of Shiloh The Gathering of His Erected Cross, even the Assembly of Him Nailed and raised thereon. Moreover The Church the saints and pilgrims of HaMashiach bear calling unto the manifestation of greater works than those that He did, even greater works than His healings and deliverance and even the raising of the dead, knowing this certain Truth that Yeshua HaMashiach D'Nzareth is The Person Incarnate Manifestation of Divine Supernatural Power, and The Holy Ghost The Arm, Finger and Hand of God Almighty as unto every the conversation of the manifestation of Divine Virtue, even The Holy Ghost The Spirit and Anointing of Divine Power- The Outpouring of The Spirit been The Divine Order unto Latter House's Manifestation: thus the Doctrine of HaMashiach Who stands Present at every platform and even of Evangelical Ministry unto the manifestation of The Divine Virtue in His Name, even unto Divine Miracles and Feats of strength accomplishable Only by The Hand of God Almighty, this being the standard of The Latter House Calling, even the Latter House Covenant of Power Divinely Erected by The Calling, Separation, Processing, Devotion, Offering, Consecration, Anointing and Sanctification of The Latter House Saints The Pilgrims unto the Heavenly Crusade of Divine Evangelical Virtue During The Endtime Evangelical Witness in The Holy Ghost.

It too stands that there is a standard of divine virtue manifest only by the full exploitation of The Keys of The Heavenly Kingdom unto binding and loosing, even the authority unto the determination and controlling resolution of The Heavenly Court of God Almighty unto pilgrim's determination of the manifestation of release or annulment by angelic commissioning, even the authority of HaMashiach. Moreover the pilgrims bear divine calling unto the necessary boldness that births divine virtue, which reality stands erected and established by covenant and communion and fellowship of Divine Sonship, even the Nature of the Omnipotent Father unto the Divine Genetic Empowerment granted His Children His Seed and Offspring born of the partaking of The flesh and Blood of HaMashiach as unto The Divine Nature, where by the Throne of His Lordship is manifest the Dispensation of The Omnipotence of God Almighty in the life of The Receiver of His throne by perpetual worship in all standards of Holiness, righteousness and Purity. THUS DIVINE POWER THE MARK OF THE REDEEMED OF YESHUA HAMASHIACH (where strength stands built, recharged and promoted by prayer in The Holy Ghost especially with fasting): thus the Divine Calling unto the perpetuation of the seeking and finding of The Face of God Almighty unto the manifestation of His Power, where The Latter House Saints shall establish the order of virtue and power born of Partnership with The Angelic Hosts of God Almighty.

Appertaining Shiloh's Divine Messianic Calling and Commission unto The Latter House Standard of Power, it stands The Divine Messianic Utterance of Him Shiloh The Messiah that "The Utterance of Him Whose Name is above all Names, even Hi that bears full Divine Authority unto the determination of every the manifestation of every the conversation and creature both in realm Celestial and Terrestrial, being Him The Divine Messianic Dispensation of Power, being Power Incarnate, in Whose name was of The Eternal Father encapsulated The Divine Hand of Omnipotent Virtue, it stands the Utterance of Him Shiloh The Lord and Messiah Being Divine Authority over all Creation that: every the conversation of My Gospel and Witness was to be done in the Open and realities of The Power of My name, that all redeemed by the Witness thereof hold faith founded upon the Divine Virtue of My Omnipotence, even as I am present at every the conversation of True Utterance and speech in Witness of My Saving and Divine Messianic Eternal Redeeming Virtue. Yet behold the tragic reality of many claiming the hold of My Faith, yet their faith is dead and totally ignorant of My Power and Authority, where some even have now moved unto satanic order and demonic craft claiming the Power of My Name and Everlasting Gospel Virtue, all these the liars of Darkness being the agents of the satanic hour of darkness to deceive My Church and those seeking my redemption, these shall know My Judgement and Wrath, for I now move unto the raising of The Generation of Power, even The Generation Divinely Called and Eternally Purposed and Separated, Consecrated, Sanctified and Anointed unto the perpetual demonstration of My Divine Omniscient Power, even The Power unto My Gospel's publishing throughout all Nations.
