THE DIVINE PRINCIPLES OF THE YESHUA HAMASHIACH KIND OF FAITH

PRINCIPLE 01: THE DEFINITION OF FAITH:

As was pronounced saying "Now faith is the substance of things hoped for, the evidence of things not seen. For by it the elders obtained a good report. Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear. By faith Abel offered unto God a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, God testifying of his gifts: and by it he being dead yet speaketh. By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had thus testimony, that he pleased God. But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him:" so it is that Faith stands the currency and economy unto the purchase of spiritual goods unto their translation from spiritual realm unto Terrestrial Testimonial Manifestation - faith thus stands the literal representation of virtue equivalent to the purchasing power of He hope and desire, the same way money stands the substantial representation of the goods desired to be purchased.
